SUSAN DERGES

An aerial photograph of a landscape, likely a river delta or a coastal area. The image shows a winding river or waterway cutting through a dense, textured landscape of vegetation and land. The colors are muted, with shades of brown, green, and grey, suggesting a natural, somewhat desolate environment. The lighting is soft, creating a hazy atmosphere.

Globalisation
means that the World
is getting smaller,
the Rich getting richer,
the Poor getting poorer.

Arab Spring?
A blowing Floral Scent
spreading so fast
that no one could have
predicted it or
Bottled it.

**I dress for
Confidence and Insecurity.**

I always make sure
I can see myself
in the Mirror,
so that I don't feel like
I'm dressed for a part
in a Play.

Change,
Revolution of Thought
and Freedom of Expression
are the Foundations
of a decent and
Free Society.

I always make sure
I can see myself
in the Mirror,
so that I don't feel like
I'm dressed for a part
in a Play.

I think Poverty
will always exist as long as
We are willing to feel
Better about Ourselves
at the Expense
of other people.

China will rule
the World.

Mummy, daddy, granny;
Home and Office; sleep and wake;
breakfast lunch and dinner;
Work and Play;
monday, tuesday, wednesday, thursday,
friday, saturday and sunday;
fun, fun, fun.

Without trying to sound
too much like a
contestant of a beauty pageant;
Women all across the globe
should be empowered
through Education and Culture.
Knowledge is Power.

**Whoever Classifies
Divides.**
